

Filling Machine – Manufacturer, Supplier and Exporter

Liquid Filling Machine

Brand Name	Shree Khodiyar Industries
Minimum Order Quantity	1 Unit
Capacity (bottles/min)	1000/60
Dimension(L*W*H)	1500*500*500 mm
Automation Grade	Semi-Automatic
Driven Type	Electric
Voltage (V)	450 V
Power Consumption (Kw)	500 Kw

Tube Filling And Feeding Machine Fully Automatic

Brand Name	Shree Khodiyar Industries
Minimum Order Quantity	1 Unit
Capacity	1000/hr
Power Consumption	500 kW
Machine Type	Semi-Automatic
Voltage	220 - 380 V
Power Source	Electric
Finishing	Painted,Polished

Horizontal Tube Filling Machine

Brand Name	Shree Khodiyar Industries
Packaging Type	compound , metal, plastics
Automation Grade	Automatic
Orientation	Horizontal

Frequency	50-60 Hz
Voltage	220-420 V

Aluminum Tube Filling Machine

Brand Name	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Machine Type	Semi-Automatic
Voltage	220-420 V
Phase	Three Phase
Power Supply	Electric
Body Material	Aluminum

Paint Filling Machine

Brand Name	Shree Khodiyar Industries
Machine Type	Semi-Automatic
Frequency	50 Hz
Voltage	220-420 V
Phase	3 Phase
Power Source	Electrical

Automatic Four Head Volumetric Juice Filling Machine(100ml to 250 MI)

Brand Name	Shree Khodiyar Industries
Packaging Type	Bottles
Capacity	1000-2000 pouch per hour
Driven Type	Electric
Machine Capacity	60-240 bottles/min
Orientation	Horizontal
Phase	Three Phase

Automatic Six Head Volumetric Juice Filling Machine(100ml to 250 MI)

Brand Name	Shree Khodiyar Industries
Packaging Type	Bottles
Machine Capacity	60-240 bottles/min
Orientation	Horizontal

Automatic Grade	Automatic
Phase	Three Phase
Filling Capacity	100ml to 250 MI

Semi-Automatic Load Cell SERVO Base Auger Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Driven Type	Electric
Automation Grade	Automatic
Voltage	220-240 V
Frequency	50-60 Hz
Phase	Three Phase

Volumetric Mustard Oil Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Automation Grade	Automatic
Packaging Type	Bottles
Orientation	Horizontal
Driven Type	Electric

Volumetric Coconut Oil Filling Machine

Brand	Shree Khodiyar Industries
Automation Grade	Semi-Automatic
Packaging Type	Bottles
Orientation	Horizontal
Driven Type	Electric
Body Material	Stainless Steel

Fully Pneumatic Paste Filling Machine

Brand	Shree Khodiyar Industries
Driven Type	Electric
Packaging Type	manual
Voltage	220-380 V

Mode Selection	Semi-Automatic
Frequency	50/60 Hz

E-Filling Machines

Brand	Shree Khodiyar Industries
Driven Type	Electric
Packaging Type	automatic
Frequency	50 Hz
Net Weight	350 - 400 Kgs. Approx
Phase	Single Phase
Body Material	Stainless Steel

Semi-pneumatic Chatni Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Power Source	Electric
Automation Grade	Semi-Automatic
Phase Type	Single Phase
Frequency	50 - 60 Hz
Usage	Industrial

Glass Filling Machine

Brand	Shree Khodiyar Industries
Driven Type	Electric
Voltage	220-420 V
Automation Grade	Semi-Automatic
Net Weight	350 - 400 Kgs.Approx
Power Supply	Electric
Body Material	Stainless Steel

Volumetric Juice Filling Machine

Brand	Shree Khodiyar Industries
Material	Stainless Steel
Frequency	50-60 Hz
Packaging Type	Bottles
Orientation	Vertical
Voltage	220-240 V
Power Source	Electrical

Automation Grade	Automatic
------------------	-----------

Lassi Filling Machine

Driven Type	Electric
Packaging Type	AUTOMATIC
Machine Type	Automatic
Brand	Shree Khodiyar Industries
Body Material	Stainless Steel
Voltage	220 - 240 V

SS Auger Filling Machine

Minimum Order Quantity	1 Unit
Brand	Shree Khodiyar Industries
Capacity	1000/Hour
Machine Type	Semi-Automatic
Phase	Three Phase
Power Consumption	430 V
Body Material	Aluminum
Hopper Material	Stainless Steel

Bottle Filling Machines

Brand	Shree Khodiyar Industries
Automation Grade	Automatic
Automatic Grade	Semi-Automatic
Application	Commercial
Machine Capacity	60-1000 bottles/min
Power Consumption	3-4 HP
Driven Type	Electric
Dimension	1900*500*450 mm
Phase	Three Phase

Manual Filling Machine

Brand	Shree Khodiyar Industries
Minimum Order Quantity	1 Unit
Capacity	5 to 50 gm
Machine Type	Semi-Automatic
Usage	Pharmaceutical Companies
Hopper Material	Stainless Steel
Body Material	Aluminum

Material	Stainless steel
----------	-----------------

Automatic Bottle Filling Machine

Brand	Shree Khodiyar Industries
Automation Grade	Automatic
Warranty	1 Year
Machine Capacity	60-240 bottles/min
Power Consumption	500KW
Capacity	1000/Hour
Phase	Three Phase

Four Head Volumetric Liquid Filling Machine

Brand	Shree Khodiyar Industries
Capacity	0-500 pouch per hour
Driven Type	Electric
Material	Stainless Steel
Voltage	220-240 V
Automation Grade	Automatic
Body Material	Stainless Steel
Power Source	Electric
Voltage	220-240 V

Paste Filling Machine

Brand	Shree Khodiyar Industries
Minimum Order Quantity	1 Unit
Capacity	1000/hr
Power Consumption	500KW
Machine Type	Automatic
Body Material	Stainless Steel

Tube Filling and Sealing Machine

Brand	Shree Khodiyar Industries
Frequency	50-60 Hz
Voltage	220-420 V
Hopper Material	Stainless Steel
Power Source	Electrical

Cream Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000/hr
Frequency	50-60 Hz
Voltage	220-240 V
Automation Grade	Semi-Automatic

Gel Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000/hr
Machine Type	Semi-Automatic
Power Consumption	500KW
Body Material	Stainless Steel

Online E Filling Machine

Brand	Shree Khodiyar Industries
Automation Grade	Automatic
Driven Type	Electric
Voltage	220-240 V
Frequency	50 Hz

Pneumatic Paste Filling Machine

Brand	Shree Khodiyar Industries
Frequency	50-60 Hz
Voltage	220 V
Mode Selection	Semi-Automatic

Volumetric Paint Filling Machine

Brand	Shree Khodiyar Industries
Automation Grade	Automatic
Frequency	50-60 Hz
Orientation	Vertical
Body Material	Stainless Steel

Semi-Automatic Auger Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Driven Type	Electric
Frequency	50-60 Hz

Automation Grade	Semi-Automatic
Phase	Three Phase

Pesticide Liquid Bottle Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Driven Type	Electric
Frequency	50-60 Hz
Voltage	220-380 V
Automatic Grade	Semi-Automatic

Pesticide Granule Filling Machine

Brand	Shree Khodiyar Industries
Filling Material	Granules
Power Source	Electrical
Phase Type	3 Phase
Automation Grade	Automatic
Power Source	Electrical

Mehendi Cone Filling Machine

Brand	Shree Khodiyar Industries
Capacity	1000-2000 pouch per hour
Driven Type	Electric
Material	Stainless Steel
Machine Type	Semi-Automatic
Body Material	Stainless Steel
Mount Type	Floor Mount

Volumetric Syrup Filling Machine

Brand	Shree Khodiyar Industries
Capacity	10ml to 250ml
Power Consumption	2hp
Material	Stainless Steel
Voltage	220-420 V
Frequency	50/60 Hz
